

Midland Christian School  
Emergency-Drill Documentation  
2017-2018 School Year

A minimum of five (5) fire drills are required for each school year. Three of the five are to be held by December 1 of the school year; two are to be held during the remaining part of the school year, with reasonable spacing between each drill.

A minimum of two (2) tornado drills are required for each school year; at least one is to be conducted during March of the school year.

A minimum of three (3) lockdown drills are required each school year; at least one is to be conducted by December 1 of the school year; at least one is to be conducted after January 1, with a reasonable spacing between each drill.

At least one of the drills must be held during a lunch or recess period, or at a time when a significant number of students are not gathered in the classroom.

When the after-school program is operational we will perform an additional drill of each type for the students and staff in this program.
